Lessons are for children

4-13 years of age. Children under 4 years of age are not allowed for safety issues. If you need lessons for your child and they are under 4 years of age, please contact us for information on our Pre-school program available in the Burlington area only. All children under the age of 6 must have an adult present but parents are not required to be in the water. Parents and youth (13-16) are welcome to volunteer.

Learn-to-Swim classes are held Monday through Friday, rain or shine unless an electrical storm prevails. All students should come with sunscreen already applied, their bathing suits on and a towel.

A limited number of scholarships are available—call the Chapter at (800) 660-9130 for details or email your request to:

jrussell@nvtredcross.org.

Fees vary because some towns subsidize lessons for their residents. Contact your local town or city government for more information!
